

# ADI's International Spirits Competition Checklist

This is a list of information that might be helpful to collect before beginning the online registration. If you are not sure where to find some of this information, check our online [FAQ](#).

- Spirit Brand Name:** What is the name of your spirit as you would like it to appear in print. This is not the legal fanciful name. ex. Colkegan Single Malt Whiskey.
- 14-digit TTB ID#:** This is a unique number for each approved COLA. It can be found through the [TTBs Public COLARegistry](#) or in Box 1 of your printed COLA. If you do not have a COLA you will enter 0000.
- Spirit ABV:** What is the percentage of alcohol per unit of volume? Please do not list proof.
- Spirit Class & Category:** Whiskey – Bourbon, Gin – Contemporary Gin etc. See online for a full list of our [competition classes and categories](#).
- Bottle Image:** If you have a bottle image you would like to share with ADI so we can use it in the promotion of any potential awards.
- 3<sup>rd</sup> Party Spirit:** If any part of the spirit was distilled, macerated, or compounded by a 3<sup>rd</sup> party we would like to know how it was used (redistilled, used for maceration, blended, etc.)
- Base Spirit Source:** What agricultural product was the spirit distilled from?
- Spirit Age:** Was the spirit aged in wood, if so what is the approximate age of the youngest spirit in the bottle? Was the spirit finished in a secondary cask? If so, what type?
- Post-Distillation Additions:** Was there any post-distillation sweetening or flavoring?
